

REACH Certificate of Compliance

Tapeswitch Ltd., as a manufacturer and supplier of products such as electronic assemblies, ribbon switches, and associated safety devices, is classified as a “**downstream user**” under both **UK REACH** and **EU REACH** regulations.

As a downstream user, Tapeswitch Ltd. is **not required to register substances** under REACH. The responsibility for registration lies with our upstream suppliers. We rely on the accurate communication and compliance of these suppliers regarding the chemical content of the materials used in our products.

Tapeswitch Ltd. hereby certifies that, to the best of our knowledge and based on information provided by our suppliers:

- All products supplied by Tapeswitch Ltd. **comply with the legal requirements of Article 33 of Regulation (EC) No. 1907/2006 (REACH)**, and the **UK REACH Regulation SI 2020/1577**.
- Our products do **not contain any Substances of Very High Concern (SVHCs)** as listed in the most recent **ECHA Candidate List** and **UK REACH Candidate List**, in a concentration above **0.1% by weight**, unless otherwise specifically declared.
- The ECHA and UK REACH Candidate Lists are **regularly reviewed**. We monitor updates and changes on an ongoing basis.
- Should any SVHCs be identified in our products above the regulatory threshold, we will **inform all affected customers** without delay in accordance with Article 33 requirements.

We remain committed to meeting our obligations under both EU and UK REACH and maintaining a high standard of safety, transparency, and regulatory compliance.
