

# ROHS Certificate of Compliance

Tapeswitch Ltd hereby certifies that its products conform to the requirements of the following European Union directives regarding the restriction of the use of hazardous substances in electrical and electronic equipment:

- **Directive 2011/65/EU (RoHS 2)**
- **Amendment Directive (EU) 2015/863 (RoHS 3)**

## Covered Products

The following Tapeswitch ® components are assessed:

- **Ribbon switches** (All types including DaDo panic strips)
- **Sensing edges** (All types)
- **Bumpers** (All types)
- **Sensing mats – touch pads – foot switches** (All types)
- **Safety mats** (All types)
- **Control units** (All types)

While these are classified as components and may fall outside the direct legal scope of the RoHS Directive, they are designed and manufactured in such a way that they do not compromise the RoHS compliance of any systems or products into which they are integrated.

To the best of our knowledge, and based on information provided by our suppliers and material declarations, the above products do not contain any of the restricted substances above the specified thresholds outlined in the applicable RoHS directives.
